

Post Consumer Recycled (PCR) Resin Material Data Sheet

Grade	P076
Product Description	Linear Low Density Polyethylene – Reprocessed Pellets
Product Color	Light to medium gray

Typical Resin Properties	Test Method	Units	Values
Melt Index @ 190°C	ASTM D1238	g/10min	1.8 – 2.3
Density	ASTM D732		.918 - .925
Post Consumer Content			100%

Typical Film Properties	Test Method	Units	Values
Blown Film	Trex Method	mils	3 – 4
Dart Impact	ASTM D1709	grams	110 ± 10%
Tear	ASTM D1922	MD / grams	> 400
	1600 gram pendulum weight	TD / grams	> 450

Note: Values are typical and will vary. Certificate of Analysis documents are available on request for individual lots.
